

SEGRINO | Undercabinet Range Hood

Classic design with strong lines

SKU: ASG430SSB | ASG436SSB

CATEGORY: Undercabinet

The Segrino Range Hood, is available in 30" and 36" widths, in a compact under cabinet mount range hood, which is ideal when cabinet space is limited. The professional 23" depth provides added capture area to better support heavier cooking needs and is paired with a powerful 400 CFM blower. Rotating knob controls are discreetly hidden underneath the hood for easy access and simple operation of the LED lighting and 3-speed blower. Dishwasher safe anodized stainless steel mesh filters and the hood's all stainless steel construction offers durability, easy clean-up and a bright attractive appearance.

2 LED lamps with 1 light intensity that safely illuminates the cooking area.

Metallic Rotating Knobs that enable the 3-speed Blower.

Dishwasher-safe, Anodized Stainless Steel Mesh filters

FEATURES
